The classic guide of the post-Dr. Spock generation has been revised to include the latest information on virtually every aspect of infant and baby care. THE BABY BOOK is unrivaled in its scope and authority, and presents a practical, contemporary approach to parenting that reflects the way we live today. Focusing on the essential needs of babies--eating, sleeping, development, health, and comfort--it addresses the questions of greatest concern to parents. The Seases acknowledge that there is no one way to parent a baby, and they offer the basic guidance and inspiration you need to develop the parenting style that best suits you and your child. THE BABY BOOK is a rich and invaluable resource that will help you get the most out of parenting--for your child, for yourself, and for your entire family.
