Tall, dark and handsome security systems mogul, Brandon Knight (a Belmont by blood), considers himself too emotionally damaged to be in a long-term, relationship. His ex-girlfriend betrayed him in a bad way and slept with his rival. Now he finds out that he's really the son of hotel magnate Jonah Belmont III, and to top it off... Jonah is urging all his sons to settle down soon before he passes on to receive the Belmont family blessing. Brandon has no plans to settle down ever and fulfilling that dying wish, until... a lovely professional organizer by the name of Faith Johnson stumbles into his life and causes him to rethink his decision.

She might be a professional organizer and founder of Faith's Clutter Control, but Faith Johnson's love life is a complete mess. Thanks to her ex-fiancé, who left her broken-hearted and broke, she doesn't trust men—nor does she trust herself around them. Currently, Faith is focused on getting her life together and keeping her heart clear of men. She really needs a big account to push her business further, and she lands the Belmont and the Ellimore accounts on the same day—two prestigious clients. But then... she bumps into too-sexy-for-his-own-good Brandon Knight, the gorgeous security systems mogul. Will their worlds collide? Can Faith trust her heart around Brandon?

Meet the Belmont family of the affluent Belmont waterfront community...

Desperate to see his sons settle down, especially after he's been given six months to a year to live, elderly hotel magnate and family patriarch Jonah E. Belmont, III gives his sons a bucket list challenge. They must wed—or at least be in stable, loving relationships before he moves on and in order to keep their inheritances in the prestigious Belmont Hotels & Resorts legacy. Only his sons are not too convinced about getting married for any reason and vow to remain single...and safe from heartbreak.
