Derrick Jaxn is back with his highly-anticipated follow up to his debut Amazon best seller, A Cheating Man's Heart. Shawn Fletcher is on a mission to find not only his true love, but his ability to love again. He's turned to his therapist, Jessica, for answers but even she doesn't give him the ones he's looking for after realizing that what Shawn had with his college sweetheart, Danielle goes deeper than she could've ever imagined. Now, with the help of his unpredictable best friend, Pete and his flawed intuition, Shawn has to decide if he's going to risk it all by trying one more time for the woman whose heart he broke, or forfeit it all by accepting that monogamy isn't for everyone, including him.
