Lords And The New Creatures - Poems By Jim Morrison Jim Morrison

Intense, erotic, and enigmatic, Jim Morrison's persona is as riveting now as the leader singer/composer "Lizard King" was during The Doors' peak in the late sixties. His fast life and mysterious death remain controversial. The Lords and the New Creatures, Morrison's first published volume of poetry, is an uninhibited exploration of society's dark side - drugs, sex, fame, and death - captured in sensual, seething images. Here, Morrison gives a revealing glimpse at an era and at the man whose songs and savage performances have left their indelible impression on our culture. Jim Morrison was the lead singer, composer, and lyricist for The Doors until his death in 1971.
