Emergency Sedation and Pain Management (Cambridge Medicine)

John H. Burton, James Miner

Emergency Sedation and Pain Management (Cambridge Medicine) John H. Burton, James Miner
Presented in an easily accessible, clinically oriented format, *Emergency Sedation and Pain Management* is a comprehensive medical text addressing emergency sedation and analgesia with specific emphasis on treatment of the emergency department patient. The text presents a clinical approach to the treatment of pain in emergency patients, including pediatric and adult populations. Analgesia, sedation, and anesthetic techniques are presented in an informative, authoritative, and concise format - written and edited by physicians with extensive research as well as clinical emergency medicine expertise. The chapters are richly supplemented with tables, photographs, and step-by-step illustrations.
