# Music and Conflict

## Music and Conflict

This volume charts a new frontier of applied ethnomusicology by highlighting the role of music in both inciting and resolving a spectrum of social and political conflicts in the contemporary world. Contributors detail how music and performance are deployed to critique power structures and to nurture cultural awareness among communities in conflict. Speaking to the cultural implications of globalization and pointing out how music can promote a shared musical heritage across borders, the essays discuss the music of Albania, Azerbaijan, Brazil, Egypt, Germany, Indonesia, Iran, Ireland, North and South Korea, Uganda, the United States, and the former Yugoslavia. The volume also includes dozens of illustrations, including photos, maps, and musical scores. Contributors are Samuel Araujo, William Beeman, Stephen Blum, Salwa El-Shawan Castelo-Branco, David Cooper, Keith Howard, Inna Naroditskaya, John Morgan O'Connell, Svanibor Pettan, Anne K. Rasmussen, Adelaida Reyes, Anthony Seeger, Jane C. Sugarman, and Britta Sweers. John Morgan O'Connell is a senior lecturer in ethnomusicology and the director of the program in ethnomusicology at Cardiff University. Salwa El-Shawan Castelo-Branco is a professor of ethnomusicology and the director of the Institute of Ethnomusicology at New University of Lisbon, Portugal.
