David M. Newman

Sociology: Exploring the Architecture of Everyday Life David M. Newman

The intro textbook that keeps students reading

Praised for its writing style that reads like a book you'd pore over at the corner café, this best-selling core text starts in a familiar place—the everyday world—and then introduces sociological concepts and institutions as they impact the student's daily existence. Full of vivid, real-world examples and touching personal vignettes, this text offers a solid introduction to basic sociological concepts and helps students realize their role in constructing, planning, maintaining, and fixing society.

New and Proven Features

- Revised discussions of race relations and racial inequality integrate the **Obama election and presidency**.
- The **current economic recession** is highlighted in discussions of the economy, particularly in Chapter 10.
- **Micro-Macro Connections** help students better understand the link between individual lives and the structure of society.
- **Revised examples from American subcultures** draw students into content relevant to their lives.
- **Cross-cultural examples and discussions of globalization** show students how their lives are affected by our increasingly global society.
- **All statistical information** has been updated.
