T. R. Reid

The United States of Europe: The New Superpower and the End of American Supremacy T. R. Reid
To Americans accustomed to unilateralism abroad and social belt-tightening at home, few books could be more revelatory—or controversial—than this timely, lucid, and informative portrait of the new European Union.

Now comprising 25 nations and 450 million citizens, the EU has more people, more wealth, and more votes on every international body than the United States. It eschews military force but offers guaranteed health care and free university educations. And the new “United States of Europe” is determined to be a superpower. Tracing the EU’s emergence from the ruins of World War II and its influence everywhere from international courts to supermarket shelves, T. R. Reid explores the challenge it poses to American political and economic supremacy. **The United States of Europe** is essential reading.

From reader reviews:

Jessie Lloyd:

Precisely why? Because this The United States of Europe: The New Superpower and the End of American Supremacy is an unordinary book that the inside of the book waiting for you to snap it but latter it will shock you with the secret it inside. Reading this book beside it was fantastic author who else write the book in such awesome way makes the content inside easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of positive aspects than the other book include such as help improving your skill and your critical thinking approach. So , still want to delay having that book? If I had been you I will go to the book store hurriedly.

Robbie Stamant:

This The United States of Europe: The New Superpower and the End of American Supremacy is great reserve for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This book reveal it info accurately using great manage word or we can claim no rambling sentences included. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but tricky core information with splendid delivering sentences. Having The United States of Europe: The New Superpower and the End of American Supremacy in your hand like getting the world in your arm, information in it is not ridiculous one. We can say that no reserve that offer you world within ten or fifteen minute right but this e-book already do that. So , it is good reading book. Hey there Mr. and Mrs. stressful do you still doubt that will?

Melvin Belknap:

You could spend your free time to study this book this reserve. This The United States of Europe: The New Superpower and the End of American Supremacy is simple to create you can read it in the playground, in the beach, train along with soon. If you did not have much space to bring the printed book, you can buy the actual e-book. It is make you quicker to read it. You can save often the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Angela Harris:

In this era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become one among it? It is just simple solution to have that. What you are related is just spending your time little but quite enough to experience a look at some books.
