They That Wait

Faneisha D Ragin

They That Wait Faneisha D Ragin

Like most women in their twenties, Faneisha thought that she would be married by twenty-five with a white picket fence and 2.5 kids. To her surprise, life didn't go as planned. With her life shaken up, she decided to fully submit to Christ and to His plans. Faneisha began a journey of waiting on God, not only for a mate, but for everything that He has promised for her. Drawing from her own personal failures and triumphs, Faneisha shares the very revelations and keys that transformed her life. In this relevant and transformative book, Faneisha seeks to guide her readers into establishing a personal relationship with Jesus Christ while living a life that honors Him. In a world marred with immorality, this book challenges the status quo! Whether you are a new believer or non-believer, They That Wait will speak to your situation. This book is for anyone who wants to change in their life and walk in victory! In this book you will: -Learn how to study God's word and build an effective prayer life -Learn how to identify and free yourself from negative influences -Receive practical ways for maintaining sexual purity -Learn how to create better habits for your health and finances - Gain insight on what it truly means to trust God -Learn to free yourself from bondages and walk into your purpose

From reader reviews:

Javier Link:

Why don't make it to become your habit? Right now, try to ready your time to do the important action, like looking for your favorite e-book and reading a reserve. Beside you can solve your trouble; you can add your knowledge by the e-book entitled They That Wait. Try to make the book They That Wait as your pal. It means that it can to get your friend when you really feel alone and beside regarding course make you smarter than ever. Yeah, it is very fortunated in your case. The book makes you a lot more confidence because you can know every little thing by the book. So , let me make new experience in addition to knowledge with this book.

Leona Hicks:

People live in this new day of lifestyle always make an effort to and must have the time or they will get lots of stress from both day to day life and work. So , whenever we ask do people have time, we will say absolutely indeed. People is human not really a robot. Then we inquire again, what kind of activity are there when the spare time coming to you actually of course your answer may unlimited right. Then ever try this one, reading ebooks. It can be your alternative throughout spending your spare time, the book you have read will be They That Wait.

Robert Shaw:

This They That Wait is brand new way for you who has interest to look for some information mainly because it relief your hunger info. Getting deeper you onto it getting knowledge more you know otherwise you who still having bit of digest in reading this They That Wait can be the light food for you because the information inside this book is easy to get by means of anyone. These books build itself in the form which can be reachable by anyone, that's why I mean in the e-book application form. People who think that in e-book form make them feel sleepy even dizzy this reserve is the answer. So you cannot find any in reading a publication especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss this! Just read this e-book style for your better life as well as knowledge.

Marcie Johnson:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this They That Wait can make you really feel more interested to read.
