## **Basic Facts About the United Nations 2000** United Nations

This work brings readers the details of the changes to the organization and its work as the centrepiece of the international community in the three years since the previous edition. The first part describes the structure of the United Nations and all of its organizations. The second part looks at its work under the headings: international peace and security; economic and social development; human rights; humanitarian action; international law; and decolonization.
