## **Critical Reasoning: A Practical Introduction** Anne Thomson

We all engage in the process of reasoning, but we do not always pay attention to whether we are doing it well. This book offers students the opportunity to practise reasoning in a clear-headed and critical way, with the aims of developing an awareness of the importance of reasoning well, and of improving the reader's skill in analysing and evaluating arguments. In this second edition of the highly successful *Critical Reasoning: A Practical Introduction*, Ann Thomson has updated and revised the book to include new and topical examples which will guide students through the processes of critical reasoning in a clear and engaging way.
