For a moment, Jamie held the world, even though it wasn't his to hold...

Jamie has spent his entire life playing the good twin. Now, he's the one standing out after signing with Guillotine Records. Two years of being on his own in California hasn't lessened his desire for the man who made it happen. Too bad that man belongs to one of Jamie's oldest friends.

Fate is about to hand him an unexpected chance.

After losing everything, Hawke needs a break from reality. Too many lies and heartaches have left him with nothing except nightmares he can't escape. Seeing Jamie again reminds him of a different time—one where Jamie made him feel a spark of something pure.

Can Jamie undo the years of damage caused by his so-called friend?

In the face of everything Maddox has done to Hawke, Jamie can't let this chance pass him by. No friendship in the world is strong enough to overlook the pain Maddox has caused. Jamie can't think of a thing he'd rather do than pick up the pieces of Hawke's life, but will Hawke let him?

Sometimes the most beautiful relationships spring from the most broken places.
