## **Le tsunami arabe (Documents) (French Edition)** Antoine Basbous

Le tsunami arabe modifie la configuration géostratégique de la région et suscite des interrogations sur la stabilité des approvisionnements pétro-gaziers en provenance d'une zone qui renferme les deux tiers des réserves mondiales de pétrole. Les régimes arabes voulaient servir de rempart contre le terrorisme islamiste ; argument qui a fait mouche en Occident, notamment après les attentats du 11 septembre 2001. Or, « l'ennemi » qui a renversé les régimes tyranniques et corrompus se nichait ailleurs. Il s'est incarné dans une alliance nouée entre une jeunesse issue des classes moyennes, qui condamne la soumission de ses parents aux dictateurs, et les réseaux sociaux qu'offre Internet, pour constituer une force invincible. Seuls des experts avertis comme Antoine Basbous peuvent saisir les perspectives de ces peuples qui viennent de conquérir leur liberté, en termes de démocratie, prospérité, d'instauration d'Etats de droit. Combien de temps faudra-t-il aux nouvelles élites pour créer un modèle de gouvernance démocratique prospère et stable ? Est-on vraiment à l'abri de l'instauration, ici ou là, d'un « émirat islamique », ou encore de voir certains pays sombrer dans des guerres civiles ? Comment gérer, sur place et en Europe, la saignée démographique de ces milliers d'exilés forcés ? Quelle sera l'attitude des trois puissances régionales qui entourent les Arabes : l'Iran, avec son « Croissant chiite » ; la Turquie, qui se tourne à nouveau vers son environnement islamique régional ; et Israël, qui s'est imposé comme une puissance nucléaire au cœur du monde arabe, mais qui s'inquiète de ce voisinage devenu brutalement incertain ?

### From reader reviews:

#### **Doris Anderson:**

Book is to be different for each and every grade. Book for children until eventually adult are different content. To be sure that book is very important usually. The book Le tsunami arabe (Documents) (French Edition) seemed to be making you to know about other understanding and of course you can take more information. It is very advantages for you. The book Le tsunami arabe (Documents) (French Edition) is not only giving you far more new information but also being your friend when you truly feel bored. You can spend your spend time to read your publication. Try to make relationship together with the book Le tsunami arabe (Documents) (French Edition). You never feel lose out for everything if you read some books.

#### **William Ullrich:**

Spent a free the perfect time to be fun activity to complete! A lot of people spent their spare time with their family, or their particular friends. Usually they doing activity like watching television, gonna beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your free time/ holiday? Might be reading a book can be option to fill your no cost time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to consider look for book, may be the book untitled Le tsunami arabe (Documents) (French Edition) can be very good book to read. May be it might be best activity to you.

#### **Richard Pascual:**

Why? Because this Le tsunami arabe (Documents) (French Edition) is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will zap you with the secret the item inside. Reading this book beside it was fantastic author who else write the book in such amazing way makes the content inside easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This unique book will give you a lot of rewards than the other book get such as help improving your proficiency and your critical thinking method. So , still want to hold off having that book? If I were you I will go to the guide store hurriedly.

#### **Antonette Schneider:**

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Le tsunami arabe (Documents) (French Edition) can make you really feel more interested to read.
