Practical Treatise on the Diagnosis, Pathology, and Treatment of Diseases of the Heart (Classic Reprint) Austin Flint

Excerpt from Practical Treatise on the Diagnosis, Pathology, and Treatment of Diseases of the Heart

In revising this treatise for the second edition, the author has endeavored to incorporate the results of the study of the diseases of the heart during the ten years which have elapsed since the appearance of the work. Many additions and alterations have been made, and much has been rewritten. An analysis of about four hundred and fifty cases, recorded by the author during the period just stated, has served as the basis of the revision.
