Raised From the Flames...

Sabrina Maxwell is a nurse who understands what it is like to be a patient.

While visiting her family for the holidays, her parent's home went up in flames, and Sabrina lost everything—and everyone—she held dear.

Fast forward four years, while vacationing alone on a beautiful Caribbean island, Sabrina finds herself face to face with the man who saved her from the burning wreckage, a man she's been searching for since that dreadful night.

But Sabrina's chance encounter with her hero Charlie Thompson is anything but how she had imagined it. The handsome firefighter has grown cynical about his work and has turned to counting those he failed to save rather than those who survived due to his efforts.

Can Sabrina show Charlie what a beautiful gift life can be? Can her passion for the life that he preserved help him to remember why he became a fire fighter to begin with?

And is their hot and steamy vacation romance strong enough to change their lives after they've returned home?

This is a stand alone romance.
