Promises After Dark: Bk. 3

Parting with Dominic has left me broken in a way I could never have imagined. We held elation in the palm of our hands, but one misunderstanding brought it crashing down around us. Now the hurt and sadness follows me like a shadow and makes choosing the right path to take impossible. But one moment with him and the pulsing heat is singing in my blood again; his touch lights a fire that my body refuses to ever forget. I'm hopelessly lost in him.

Secrets After Dark: Bk. 2

Ours was a love bound by power... Falling in love with Dominic changed me. I relinquished myself completely and placed my heart and my trust in Dominic's hands, but in one exquisite, excruciating moment he abandoned his control. Anguished by his actions, he has locked those darkest desires inside, unable to share my conviction that it would never happen again. Now it's not only Dominic who craves that delicate, seductive game of give and take, of walking the line between pain and pleasure.

Fire After Dark

It started with a spark... Everything changed when I met Dominic. My heart had just been broken, split into jagged fragments that can jigsaw together to make me look enough like a normal, happy person. Dominic has shown me a kind of abandonment I've never known before. He takes me down a path of pure pleasure, but of pain, too - his love offers me both lightness and dark. And where he leads me, I have no choice but to follow.
