Afterlife - The Proof John Burrows

The afterlife really does exist. There is an enormous amount of evidence proving that it is so. It has been confirmed by professors, scientists, doctors, lawyers and even converted sceptics. Some of the more convincing evidence comes from the Scole experiments, cross-correspondence, and solid materializations. All of the evidence proves that the personality lives on and that when we die we will meet our loved ones again. We should all look forward to that day. And although there are no churches or religions there, I hope that, like me, it brings you peace of mind. Have a good life
