Everyday Conversation (Interpersonal Communication Texts) Robert E. Nofsinger

The first volume in the *Interpersonal Commtexts* series, **Everyday Conversation** offers a fresh approach to the study of conversation, one that extends understanding from a variety of perspectives and methods. Using a conversational analysis approach, Nofsinger examines what makes conversation work. He takes the reader step-by-step through the world of conversation, addressing important processes and characteristics of conversation in the analytical language used by scholars.
