Lessons in Love from A Course in Miracles: Truths and Meditations on the Legendary Text Brad Oliphant

For more than 40 years, award-winning fine arts photographer Brad Oliphant has been capturing unbelievable images of the natural world. He's also a dedicated student/teacher of *A Course in Miracles*, the thousand-page treatise on spiritual enlightenment said to have been channeled directly from Christ. Now, in this beautifully illustrated gift book, Brad combines his two passions: the insights he has received from a higher power and his lovely, surreal photographs. The effect of his images is haunting, yet empowering: he seems to break through the veil of everyday appearances to reach something deeper and richer, seemingly accessible only to a chosen few. In addition to the stunning visuals, *Lessons in Love from A Course in Miracles* contains inspirational quotes, Brad's reflections, and a section on addiction and recovery that includes Brad's personal experiences.

Filled with wisdom on love, freedom from ego, and happiness, this is a keepsake for any student of the *Course*—and anyone wishing to find a new level of awareness.
