## Queering India: Same-Sex Love and Eroticism in Indian Culture and Society

*Queering India* is the first book to provide an understanding of same-sex love and eroticism in Indian culture and society. The essays focus on pre-colonial, colonial, and post-colonial gay and lesbian life in India to provide a comprehensive look at a much neglected topic. The topics are wide-ranging, considering film, literature, popular culture, historical and religious texts, law and other aspects of life in India. Specifically, the essays cover such issues as Deepa Mehta's recent and controversial film, *Fire*, which focused on lesbian relationships in India; the Indian penal code which outlaws homosexual acts; a case of same-sex love and murder in colonial India; homophobic fiction and homoerotic advertising in current day India; and lesbian subtext in Hindu scripture. All of the essays are original to the collection. *Queering India* promises to change the way we understand India as well as gay and lesbian life and sexuality around the world.
