This huge 6 EBOOK collection includes:

BOOK 1: THE DIVERSION

Vanessa Stephens thinks she's in for just another boring weekend in Oxford, England at the 2015 Behavioral Economics Conference. Even the name of the conference is boring, as are the speakers and most of the attendees. Paying attention gets even more difficult when a handsome Irishman named Patrick takes a seat beside her and proceeds to distract her in a most wonderful way. It's completely out of character for the normally "all business" Vanessa to do so, but she takes Patrick up on his invitation to ditch the conference and have a drink at a local pub. It's even more out of character for her to end up being ravished on a public park bench

and then inviting the total stranger back to her room. Can this fiery Irishman loosen up the proper English girl and do it before the sun comes up?

BOOK 2: THE BAD SEED

When single teen mom Marissa Antonelli's mother marries a kind, older gentleman named Jacob Brenner, Marissa's life takes a turn for the better. She keeps her grades up and applies to nursing school, but has to put her life on hold to nurse her ailing parents. Marissa knew that Jacob had a son, a "bad seed" named Brian, who is serving time in prison for killing a man with his bare hands. When Brian shows up at the door to find his father near death and Marissa struggling to keep the family going, the once bad seed realizes he has to step up to set things right. The problem is, Brian thinks he's unworthy of Marissa's love and respect. He's a murderer, a convict, a bad seed...

BOOK 3: CODENAME CHARGER

Evan, CODENAME CHARGER, is a ten-year Navy SEAL who's wound way too tight. He's only happy when he's in full combat gear in the Afghan desert or raiding an Iraqi stronghold. Sexy Andi can tell there's something different about Evan. He's the typical SEAL, all muscle, great looking, with an attitude that might scare others off, but not her. Andi can tell Evan isn't like most men in the club who are just there looking to get drunk and laid. Evan is different, brooding, yet sensitive, and Andi can't wait to get him home to find out really what makes CODENAME CHARGER tick.

BONUS EBOOK FREE: LOVE LOST

Andy Gladstone is a mild-mannered butcher living in the small English village of Hanwell. He lives with his best mate, Neville, and they spend their off hours making the rounds of the local pubs, trying to work up the courage to talk to the lovely ladies. Then Andy meets Dana; a beautiful woman who also happens to be a Royal Air Force pilot who's independent, strong, mouthy... It isn't long before Andy is in love. Then Dana's plane disappears while on a mission. Andy is devastated. Is the love of his life really lost, or will she somehow make her way back to him?
