Get Off On The Pain Victoria Ashley

Sexy, tattooed and inevitably dangerous. Memphis is all that and more... I live for the pain; it's what drives me to keep moving. But there comes a time when one has to push the demons aside in order to survive. I thought I buried them deep. I thought I was ready to finally live. Until... my brother, Alex; he throws me into the fire—right into the place I could never control myself, the one place I never want to be again. When I put my hands on people, they get hurt. Things happen that bring me back to that night. The one that will forever torment me. I'm doing fine, keeping to myself in order to ensure no one gets hurt by me. Then along comes Lyric, and all I want to do is touch her, to put my hands in places that I know will only lead to her being crushed by me. She's the rush that I crave. The darkest of poison running through my veins, killing me bit by bit; like a drug I can't get enough of even though I'm almost down to my last breath. And being around her only hurts more, but what she doesn't understand is that I welcome the pain; I get off on it, which in the end leaves me with the hardest decision of my life—one that might get us all killed...
