Uriel had no idea why he was chosen for this mission - he was, after all, an archangel of peace. War was Michael's forte, not his. And yet here he stood, armed to the teeth, accompanied by a million angelic warriors about to embark on the most important journey of his life, a journey into death itself, Hades.... The Harrowing of Hell traces the three day journey of Uriel through the land of the dead, sent on a mission by God. The fate of millions rests upon the success of his mission and on the shoulders of the one who he must meet and protect. Against him is Lucifer, Dark Lord of Hades, who has his demonic army bent on the failure of Uriel's objective. Though many may doubt it, the story of the Harrowing of Hell is based loosely on a true story. Stephen Seal intertwines fact and fiction to produce this allegory. Painting a world liberated from the clutches of time and space, a world that exists beyond our reach. He shows us what life is really about and what lies beyond the door that awaits us all. His novel is filled with adventure, interesting characters (both historical and fictional) and surprising philosophies guaranteed to change the way you see life and death. A must read.
