**Black Dahlia Avenger II: Presenting the Follow-Up Investigation and Further Evidence Linking Dr. George Hill Hodel to Los Angeles's Black Dahlia and other 1940s- LONE WOMAN MURDERS** Steve Hodel

In *Black Dahlia Avenger II*, bestselling author and veteran homicide detective Steve Hodel presents his six-year follow-up investigation [2006-2011] into Los Angeles's 1947 Black Dahlia and other serially connected 1940s Lone Woman Murders. After the 2003 publication of his NYT bestseller and MWA Edgar nominated true-fact crime book, *Black Dahlia Avenger: A Genius for Murder*, and receiving a "CASE SOLVED" legal opinion from many of LA's top law enforcement officials—which included a then active Head Deputy District Attorney and LAPD's Chief of Detectives—Hodel didn't stop there. In this investigative sequel he presents his careful deconstruction of the Dahlia Legend—exposing and correcting the Black Dahlia Murder's Three Greatest Urban Myths: Myth No. 1—"It was a standalone murder." Myth No. 2—"There was a 'Missing or Lost Week'" Myth No. 3—"The case was never solved." Some of BDA II's new investigative findings: The obtaining of the killer's full DNA PROFILE which can now be made available for law enforcement testing and comparison to multiple Cold Case unsolved crimes. Discovery of the Hollywood residence where the BLACK DAHLIA MURDER was committed along with physical evidence connecting the killer to the house and to the vacant lot where he later transported and posed the victim's body. Identification of "The Baron," George Hodel's house guest and an accomplice overheard and tape-recorded by detectives discussing "crimes and payoffs" on the 1950 DA/LAPD bugging tapes. New expert medical testimony and evidence photos proving—"A Doctor Did It." Complete original and unabridged 1950 DA-Hodel Black Dahlia Bugging Transcripts. [146 pages.] THE HUSTON LETTERS- Personal correspondence between famed film director, John Huston and his ex-wife, Dorothy Huston Hodel [the author's mother] covering the years 1948-1957. In these private letters Dorothy shared with John the day to day personal fear and terror she was experiencing living with George Hodel, as the doctor threatened her and the children with physical harm in the months just prior to his fleeing the country. A World Class Surrealist Photographer reveals his first-hand knowledge of the murders. Over 300 photographs and crime exhibits including the 1969 Sowden House 17-Photo Historical Survey About the Author: STEVE HODEL is a retired LAPD homicide detective and a licensed P.I. and has specialized in criminal investigations for the past 49-years. During his twenty-four years service with LAPD he was assigned to Hollywood Homicide where for eighteen-years he worked on more than three hundred murder cases and achieved one of the highest "solve rates" on the force. He retired as a Detective III [the highest attainable rank in the Detective Bureau] and resides in his hometown of Los Angeles.
