**Social Work Practice: A Generalist Approach (10th Edition)** Louise C. Johnson, Stephen J. Yanca

*This generalist social work practice text uses a strong theoretical framework for social work practice with diverse populations in both urban and rural settings.*

The authors blend ecosystems and client-centered empowerment to develop a model to working with diverse populations. By using this model, students will learn how to effectively work with diverse individuals, families, groups, organizations, and communities. The text incorporates CSWE requirements for learning the knowledge, skills, and values that are the foundation of social work practice at every level of practice.
