The Creative Spirit An Introduction to Theatre Third Edition

The Creative Spirit An Introduction to Theatre Third Edition

The Creative Spirit includes five complete plays: Joe Turner's Come and Gone by August Wilson, And the Soul Shall Dance by Wakako Yamauchi, Angels in America by Tony Kushner, Dog Lady by Milcha Sanchez-Scott, Buried Child by Sam Shepard. Focusing on the collaborative and creative processes that go into productions, Stephanie Arnold introduces students to the theatre through engaging and accessible plays and through the playwrights who craft the play texts and the theatre practitioners who bring those texts to life on the stage. A rich context is provided for each play with a discussion of the playwright's biography and sources, timelines that provide historical and cultural background, and a case study of an actual production of the play to give students a sense of experiencing theatre from the inside.
