Tucker Gray is a Baltimore, MD waiter, hailing from the Deep South, whose mental health issues and past relationships have made it hard to trust more than the cut. After he hits what he thought was rock bottom Tucker decides to stay close to the ones who stood by him and keep his head down, until he finds something to prove it can get better. Jesse Bauer is unsure what his future holds after an injury forces him to retire from the marines. With all of the decisions he has to make in his civilian life, with all of its freedoms and possibilities, he feels staying closeted and keeping the people in his life happy will keep down the chaos. Until the night he met Tucker Gray at a party he thought that'd be possible, but both of them are instantly and strongly in lust. As their relationship grows, Jesse has to prove himself, and Tucker has to learn to trust more than the cut.
