Forgot your password?

Having trouble finding the loose scraps of paper or Post-It notes where you recorded your login credentials for the multitude of websites you subscribe too?

The Internet Password Organizer can help!

The *Internet Password Organizer* provides you with a single centralized location in which to store all your online account login information. Our intuitive design was carefully crafted to provide you with an experience that enables you, not overwhelms you.

The Internet Password Organizer is the only book of its kind endorsed by prominent Professional Organizers and media personalities such as CPO Geralin Thomas of A&E's "Hoarders", CPO Monica Ricci of HGTV's "Mission Organization", CPO/Author of the "The Clutter Diet" Lorie Marrero, CPO/Author "The Experts' Guide to Doing Things Faster" John Trosko, Organizing Expert/Author/Blogger Erin Doland, and many more.

Features:

- + Spacious 5.5" x 8" pages allow you to store all your usernames, passwords and additional notes comfortably not crammed
- + Reinforced laminate tabs provide added durability and help keep your information organized and easy to retrieve so you spend less time searching and more time surfing
- + Spiral binding so you can open the book flat and write the full width of each page
- + Dedicated back tabs provide space to store information about your Internet Service Provider, Home Network, Software Licenses and computer related Notes
- + Discreet hard cover with removable label

Also available in Green, Cobalt Blue and Black!

From reader reviews:

Patricia Whitmore:

Reading a book tends to be new life style in this particular era globalization. With examining you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or maybe their experience. Not only situation that share in the guides. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some research before they write on their book. One of them is this Internet Password Organizer (Red).

Daniel Padilla:

People live in this new morning of lifestyle always attempt to and must have the time or they will get wide range of stress from both lifestyle and work. So , when we ask do people have time, we will say absolutely of course. People is human not just a robot. Then we question again, what kind of activity have you got when the spare time coming to you of course your answer can unlimited right. Then do you try this one, reading books. It can be your alternative with spending your spare time, the book you have read is Internet Password Organizer (Red).
