The Biblical Counseling Movement: History and Context

David Powlison

The Biblical Counseling Movement: History and Context David Powlison

Beginning in the late 1960s, a biblical counseling movement sought to reclaim counseling for the church and provide a Christian alternative to mainstream psychiatry and psychotherapy. The *Biblical Counseling Movement: History and Context* is an informative and thought-provoking account of that movement. This historical account combines careful scholarship with a unique, eyewitness insight. This book is an invaluable resource for those who want to understand the biblical counseling movement. The core chapters were originally a Ph.D. dissertation in history of science and medicine (University of Pennsylvania). This new edition adds a lengthy appendix, containing articles by Dr. Powlison that give an analysis of developments within the biblical counseling movement and in its relationship to evangelical psychotherapists.
