Tourism and Development (2nd Ed): Concepts and Issues (Aspects of Tourism)

This book explores and challenges the relationship between tourism and development and establishes a conceptual link between the discrete yet interconnected disciplines of tourism studies and development studies. This revised and expanded second edition provides not only a comprehensive theoretical foundation in development studies but also a critical analysis of contemporary themes and issues relevant to the study of tourism and its potential contribution to development. The second edition contains new chapters on the following topics: • Tourism and Poverty Reduction • Cultural Heritage, Tourism and Socio-economic Development • Tourism, Climate Change and Development • Human Rights Issues in Tourism Development • Tourism, Development and International Studies
