The bestselling WORLDS OF MUSIC, now in its fifth edition, provides authoritative, accessible coverage of the world's music cultures. Based on the authors' fieldwork and expertise, this text presents in-depth explorations of several music cultures from around the world, with new chapters on China, Eastern Europe and the Arab world. The student-friendly, case-study approach and music-culture focus gives students a true sense of both the music and the culture that created it. Additionally, a high-quality 4-CD set (purchased separately) contains a variety of recordings from multiple sources, including the authors' own fieldwork, other ethnomusicologists' field research, and commercial releases.
