## A Biblical-Theological Introduction to the Old Testament: The Gospel Promised

The Old Testament is not just a collection of disparate stories, each with its own meaning and moral lessons. Rather, it's one cohesive story, tied together by the good news about Israel's coming Messiah, promised from the beginning. Covering each book in the Old Testament, this volume invites readers to teach the Bible from a Reformed, covenantal, and redemptive-historical perspective. Featuring contributions from twelve respected evangelical scholars, this gospel-centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God's plan to redeem the world through Jesus Christ.
