**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

***College Reading and Study Skills* teaches reading, critical thinking and study skills for today's diverse students, encouraging them to apply these integrated skill sets to their coursework and future academic success.**

Kathleen McWhorter wrote *College Reading and Study Skills*, primarily, for courses that are half reading, half study skills. Emphasizing comprehension and metacognition, *College Reading and Study Skills* approaches reading and study skills as essential skills necessary for college success. The text focuses on reading and learning as a cognitive process, encouraging students to approach reading as an active mental process of selecting, processing, and organizing information to be learned.
