**The Gilded Age** Mark Twain, Charles Dudley Warner

The Gilded Age by Mark Twain and Charles Dudley Warner is a satirizing account of what they saw during the 1870s-1900s, in an era of massive social problems covered up by only a thin layer of gilding. With rapid economic growth, wages shot up attracting many skilled workers from Europe. Labor unions were on the rise while working for an 8 hour work day and against child labor as the South remained economically devastated. African Americans were being stripped of social and political power as there was a significant divide all across America.

### From reader reviews:

#### **Andre Roop:**

What do you concentrate on book? It is just for students because they are still students or that for all people in the world, the particular best subject for that? Merely you can be answered for that question above. Every person has several personality and hobby for each other. Don't to be obligated someone or something that they don't wish do that. You must know how great as well as important the book The Gilded Age. All type of book would you see on many solutions. You can look for the internet options or other social media.

#### **Floretta Simmons:**

This The Gilded Age are generally reliable for you who want to be a successful person, why. The main reason of this The Gilded Age can be one of the great books you must have is usually giving you more than just simple examining food but feed you actually with information that perhaps will shock your before knowledge. This book is actually handy, you can bring it all over the place and whenever your conditions at e-book and printed kinds. Beside that this The Gilded Age giving you an enormous of experience like rich vocabulary, giving you trial run of critical thinking that could it useful in your day task. So , let's have it and enjoy reading.

#### **Mary Hopkins:**

In this particular era which is the greater individual or who has ability to do something more are more precious than other. Do you want to become one of it? It is just simple way to have that. What you must do is just spending your time almost no but quite enough to experience a look at some books. One of many books in the top listing in your reading list is usually The Gilded Age. This book that is qualified as The Hungry Hillside can get you closer in growing to be precious person. By looking right up and review this reserve you can get many advantages.

#### **Vincent Mireles:**

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this The Gilded Age can make you really feel more interested to read.
