**Understanding Martin Amis: Second Edition (Understanding Contemporary British Literature)** James Diedrick

Understanding Martin Amis is a comprehensive reader's guide to the novels, short stories, and nonfiction written by one of Britain's most highly acclaimed and controversial authors. Building on the first edition, published in 1995, James Diedrick draws on personal interviews, reviews, and criticism, as he maps the distinctive features of Martin Amis's imaginative landscape—the sociosexual satire of *Money* and *Yellow Dog*, the bold experimentation of *Time's Arrow* and *Night Train*, and the provocative blend of autobiography and cultural analysis in *Experience* and *Koba the Dread*. Diedrick illustrates how Amis has reshaped the British literary landscape, expanding the stylistic and thematic range of fiction while creating forms adequate to the unsettling experience of postmodernity.
